Meetings Thursdays 7am at the Glendora Country Club

July 1 2010

This week we had such a busy meeting that I don't know where to start. There will be a parade, pancake breakfast, and car show downtown in the village on the 5th. It was suggested that our Kiwanis Kar be present in this event. The parade stages on Glendora Ave. just North of Bennett, and steps off at 9:30 in the morning. (I signed us up for this memorable event).

Terry Damron told an interesting story of buying a bear bell for his wife, Debbie, to wear while hiking. His thought was that this bell would attract bears. After reading that the bell would warn bears of approaching humans, causing them to leave, he immediately began walking very close to Debbie.

Greg Gillham shared the saving passbook that he opened for his new grandkid in the amount of \$200.00. Dave Culp purchased 2 - \$200.00 US Savings bonds for his new Great Grandson. We both thank the club for their generous donations.

Joe Fracasse donated a USC hammer to be auctioned off. After a bit of discussion as to how this tool would be used at USC, from writing instrument to gavel, Chuck Gomer said if we just shut up about it he will bid and pay \$20.00.

Since this was a business meeting week we did not have any visitors. Next week we will hear all about Rubel Pharms/Castle. This would be a good week to bring a guest.

-----  
Exempt badges went for \$25.00 each this week. Dan Derby, and Diane Norman each needed them for reasons I don't remember.

-----  
The Stanford guy made a derogatory comment about UCLA, and then since there was not a Mr. "K" this week, stated that he shook a lot of hands "for nothing"!

-----  
Robert Vermons won \$20.00 from the Ha Ha..... Oh wait, he was not at our meeting! Ha Ha

-----  
In our business meeting, for Project Fund we got a look at the new spread sheet that includes all of our club's funds. Thank you Robert. Frank McGurty offered to be the chair of a club membership committee. Terry Damron, Culver Heaton, and Hal Workman will join him in this project.

## Coming Events

(print your newsletter, cut out this column and stick it on your refrigerator as a reminder)

**Sept. 26.** Installation

Knews from Kiwanis International Convention in Las Vegas from our President Diane.

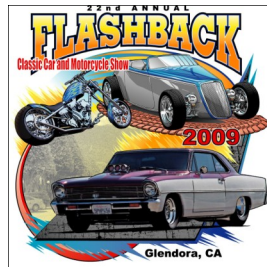

CHANGING THE WORLD  
FOREVER....AGAIN

Kiwanis and UNICEF joined forces to tackle iodine deficiency disorders, achieving one of the most significant public health successes of the 20th century. Now, we are eliminating MNT (maternal and neonatal tetanus) from the face of the earth. Imagine, we are eliminating a disease that kills innocent newborns and destroys families. And in doing so, we are reaching the poorest, most neglected babies and mothers with additional lifesaving health care. The end of this one disease means the beginning of better health for so many families.
