Meetings Thursdays 7am at the Glendora Country Club

August 7, 2010

Jeff Kugel, Rob Voors, and Randy Johnson were our visitors this week.

The Concerts in the Park "Dog House" grossed another almost \$500.00 day last week. Our YTD total is \$1,833.00.

If you have not yet had the fun of working this weekly event, please come on over to Finkbiner Park and join us. We will serve the community through 3 more concerts.

Our president assigned a VISITOR as Mr. "K" this week. Daryl and would you believe Dr. Bruce, missed the hand of Jeff Kugel and made a donation to our club.

Exempt badges went to Dan Derby for \$25.00 and Terry Damron for \$30.00.

Wes Purkiss purchased a Hyundai ? I am not sure of the spelling of this IMPORT! He paid a full \$5.00 fine for buying this SUV.

The following paid various fines for their indiscretions: Brenda Fischer bought a house, Robert Davis is having his 46 H.S. reunion, Dan Derby is going on a Hawaii Cruise (probably why he bid high on the Exempt badge), Dick Paulus said that Wes Menard is having an open house at his Big Bear house to show his trains. (pg. 2)

Saturday the 28th of August we will again ALL be downtown to serve the community of Glendora. This is our time to shine. If you have not participated in this event in the past, you are in for a fantastic evening! Mark your calendars and we will see you there.

Robert Davis reported that our Kasino Night will be held again at the Masonic Lodge on Valley Center. We will limit the ticket sales to 250. This fun evening is scheduled for the 29th of January.

Tony Miller walked away with \$20.00 from the Ha Ha.

Our "Opportunity Drawing" formerly referred to as the 50/50 had a start up of \$300.00 and after slow ticket sales is up to \$325.00. Terry Damron drew a face card and put his \$5.00 winnings into the Ha Ha.

# OPEN HOUSE

**August 21, 2010      10 am - 4 pm**

**Wes & Mary Jo Menard and Dick & Penny Paulus  
41397 Condor Dr.  
Big Bear Lake, CA 92315  
(909) 866-8311**

The Menard's and Paulus' invite their friends in the Upland Garden Railway Society, the Fairplex Volunteers, and the Southern California Garden Railway Society, and the Glendora Kiwanis Club, to join them and enjoy their garden railroad in Big Bear. The nine year old railroad is of a folded dog bone design with two long passing sidings. Approximately 200 feet of track wind around large pine trees within view of the lake. The invigorating clean mountain air adds to the uniqueness of the setting.

The layout is used year round. Operations in freezing winter weather first require pushing a snow plow with heavy locomotives to clear the snow. Train engineers can then have fun running trains until they begin to turn blue. When that happens they have been known to retreat to the warmth of the nearby garage to control and view the trains through a window. Summer time operations are much easier and you should enjoy warm weather.

**Driving Directions:** The house is on the south side of the lake, east of the Village. From Big Bear Blvd. turn north on Eureka (McDonald's restaurant is on the corner). Go past the stop sign and turn right on Condor. The brown two story house is on the corner of Condor and Oriole. The hosts will serve hot dogs and soft drinks. For more information call Wes at (626) 963-3704 or Dick at (626) 335-5366.
