Meetings Thursdays 7am at the Glendora Country Club

October 10, 2010

Nicholle and Tim McGill

The Sheraton Fairplex Hotel & Conference Center is becoming a reality. They have just added over 47,000 square feet of new meeting space to the 247 room hotels conference center. This facility is located on the 543 acre Fairplex Exposition Center, the home of the Los Angeles County Fair. This new addition makes it possible for the Sheraton to host very large expositions with attendees and exhibitors all staying at one hotel. The facility also has the option to set up for small venues either in small meeting rooms or by sectioning off parts of the larger conference areas. With a fitness center, restaurants, Cyber café, Dry cleaning, Floral service, Gift shop, Pool and Sauna, and High Speed Internet availability, this world class resort is ready to host any corporate events. Did I mention there is a golf course across the street? We thank Tim McGill, the director of Sales and Marketing for bringing us info on the Sheraton.

Our visitors this week included new member Karen Knust-Graichen, Tim McGill, and Josh Betta.

FLASHBACK 2010 made a handsome profit for our club. Our scholarship program, as well as the many other community functions that we serve all thank the citizens for their support.

Kasino Night planning is moving along well. Thanks to Terry Damon we have horse racing! If you would like to serve on this committee contact Robert Davis and volunteer. robert.davis@davisdealcpa.com

We want to thank Dale Rasmussen for letting his wife get a year older and paying our club \$10.00 to help celebrate the occasion.

Art Ludwick donated 2 fair tickets and parking for auction. Josh Betta had the winning bid of \$50.00. (was that a city credit card)?

Dan Derby let the \$25.00 ride in the Ha Ha.

Tom Malcolm drew an A and donated his \$5.00 to the Ha Ha. The pot is \$478.00 for the member that draws the joker.

I am not sure just how it happened but Art had \$100.00 of Flashback money that he turned over to the club.
