Meetings Thursdays 7am at the Glendora Country Club

February 11, 2011

Daryl Overlock and Sylvia Beltran

We all learned a lot from Sylvia Beltran about the Gold Line rail service that will be running through Glendora in the future. Sylvia is the community outreach coordinator for the Metro Gold Line Foothill Extension Construction Authority. (With a title like that one could get tired just writing it down). She explained how some of the challenges connected with “grade separation” have effected street crossings and noise mitigation through neighborhoods. The design of the many stations that will dot the rail line from Arcadia, Azusa is a very important concern. These stations need to be warm and attractive and should have a look that shows off the town they are in. The Gold Line has been dubbed the “Brain Train” because of all the Colleges it will pass by between Arcadia and the Ontario Airport. For more information you may sign on to their web site at:

www.foothillexension.org

Our visitors this week were, Stephen Bledsoe, Doug Frymer, Jamie Caldwell, Mayor Pro-tem Doug Tessitor, Mike Beckman, Sarah Ludwick, Dwight Richards, Allen Nakagawa, Sylvia Beltran and Barbara Latasa.

We had a full house again!

The Science Bowl will be held on April 20th at Sellers School. Dr. Charles Gomer will be the moderator. This is a fun event for the kids of our city to compete, and is lots of fun to watch.

Thursday March 10th is our Division 35 service project. We will be packing boxes full of goodies to send to our troops. Our club has the job of feeding all those that are there working. 5:30 pm at Williams School. Mark your calendars!

Our Scholarship Committee will interview students at Glendora High on Wednesday March 16th. Between 7:45am and Noon. The committee this year consists of Diane Norman, Wes Menard, Dave Culp, Tom Malcolm, Robert Davis, Chuck Gomer, and Robert Voors. Our chair is again Art Ludwick.
